Sir,

I have to inform you that the City Council recently decided that the attention of all licencees of coffee stall stands in the streets of the City be drawn to the fact that they will not be permitted in future to transfer the licencees for any stalls if they desire to give up such licencees. The Council further decided that, when any licencee gives up his licence for any stand, such stand is to be abolished.

I am, etc.,

Acting Town Clerk.
